### Membership Fees

Becoming part of the ProTerra Network brings benefits to organizations, such as:

- ✓ Image and brand – you will be able to demonstrate proactive engagement and commitment regarding climate change, biodiversity and social issues to your stakeholders, customers and investors by commitment to the ProTerra Vision and Mission;
- ✓ Market position – secure consumer approval, by credible and supported claims about supporting sustainability initiatives, deforestation, etc.
- ✓ The ProTerra member logo can be used institutionally by your organization.
- ✓ Your logo will be shown on our members’ page.
- ✓ You may choose to use the ProTerra seal on-shelf products under your house brand to demonstrate compliance with sustainability claims (per specific contract for the use of the seal).
- ✓ Information and awareness – receive updates, information and news about the latest developments in the sector.
- ✓ Discounted fees to ProTerra international events and training, options to partner with ProTerra at industry conferences, fairs and events.

For Certified organizations and Users of the ProTerra Standard and all Interpretations of the ProTerra Standard it is mandatory to become members of the ProTerra Network. These fees are to be paid to the ProTerra Foundation according to the current version of the Membership fees.

For use of the standard outside certification, for gap-audits regarding assessment of sustainability status, risk assessment, etc., organizations using this service must become a member of ProTerra Network and additionally pay a fee for audits.

Organizations that share the ProTerra Vision and Mission Statement can become members of the ProTerra Network if they are approved by the Board of Directors.

Organizations that wish to apply to the ProTerra Network, shall fill out the ProTerra Network Membership Application available [here](#).

ProTerra Network Membership information is available on the ProTerra [website](#).
