

## ProTerra Associate Membership Declaration

### ProTerra Foundation Vision and Mission

The ProTerra Foundation's mission is to be a global network of businesses and coalitions supporting more sustainable agricultural practices, in the food and feed supply chains, where relevant the conversion to non-GMOs and full respect of workers and communities' dignity.

We envisage a world where all businesses contribute to the protection of biodiversity by switching to sustainable production, conserve natural resources and ensure that local communities are treated with dignity and respect.

### ProTerra Associate Members' commitment

The Associate Members support the ProTerra Foundation's mission and vision and, by signing this declaration, commit to:

- Support the development of the ProTerra Sustainability Standard.
- Raise awareness about sustainability topics, such as biodiversity and climate change.
- Empower farms and businesses throughout the food and feed supply chains to become vectors of environmentally and socially responsible business practices.
- Work together based on mutual trust, develop partnerships working towards common values and goals; share a sense of community between both organisations and/or coalitions.
- Enhance a collaborative culture to innovate and greatly improve aspects of their common goals.
- Establish strategic alliances to create value and innovation to collaborate for more sustainable world.
- Appoint a person to serve as the main contact with the ProTerra Foundation.
